Integrated solution with MS exchange or O365

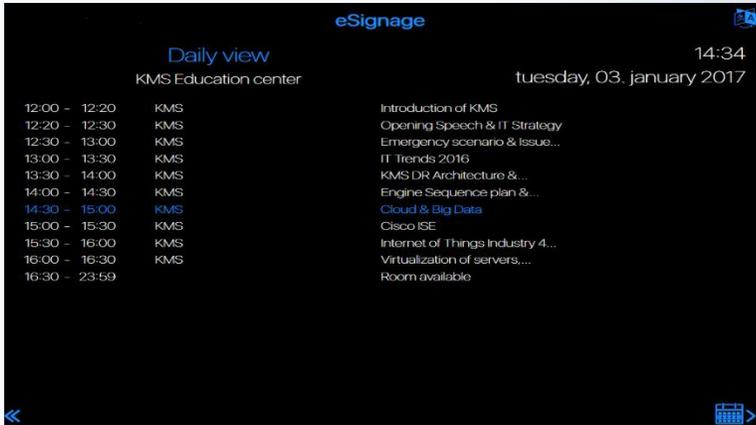

In the Calendar View of the Outlook 2013 (to go to "Calendar View", click the "Calendar" icon at the bottom left of the page), click the Open Calendar button in the "Manage Calendars" group under "Home" tab in the Ribbon. Select "From Room List..." from the drop-down list

This meeting room calendar will remain listed under "Rooms" group in your calendar view even after you close the calendar, so you can re-open it at any time later

The advantages of eSignage solution

Key features and benefits

- **Passive displays**
 - Bistable electro-phoretic display
 - Fully graphic wireless display – text, image, barcode, QR code
 - Monochrome or three color display available in size 1,6” – 13,3”
- **Active displays**
 - Active backlight 24V, PoE
 - Interactive communication with touch functionality
 - Fully graphic in size 7” or 10” with coloured LED light, NFC reader
- Easy and quick implementation
- View and clear display of information
- Fast distribution and display of data
- Complete overview about room occupancy
- Interactive work with display (on site reservation)
- Effective use, data administration - change of data anytime and anywhere
- Modern, elegant and variable design

Thank you for your attention
